

## Resident Access

Once the EE clicks on the Resident Access Link:

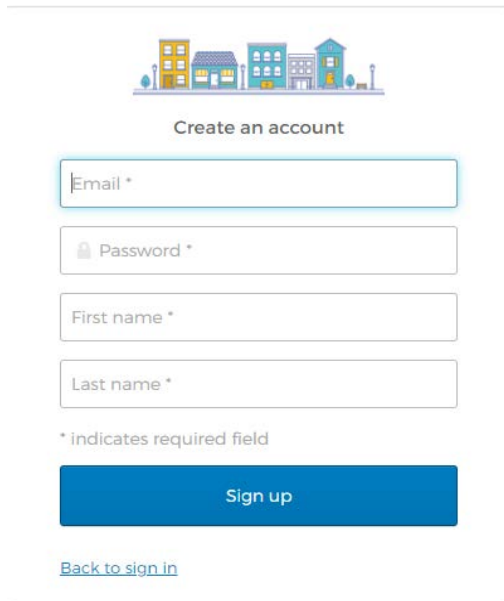

It will send you to the Portal Home – Click the Create an Account button

This will send them out to the following screen

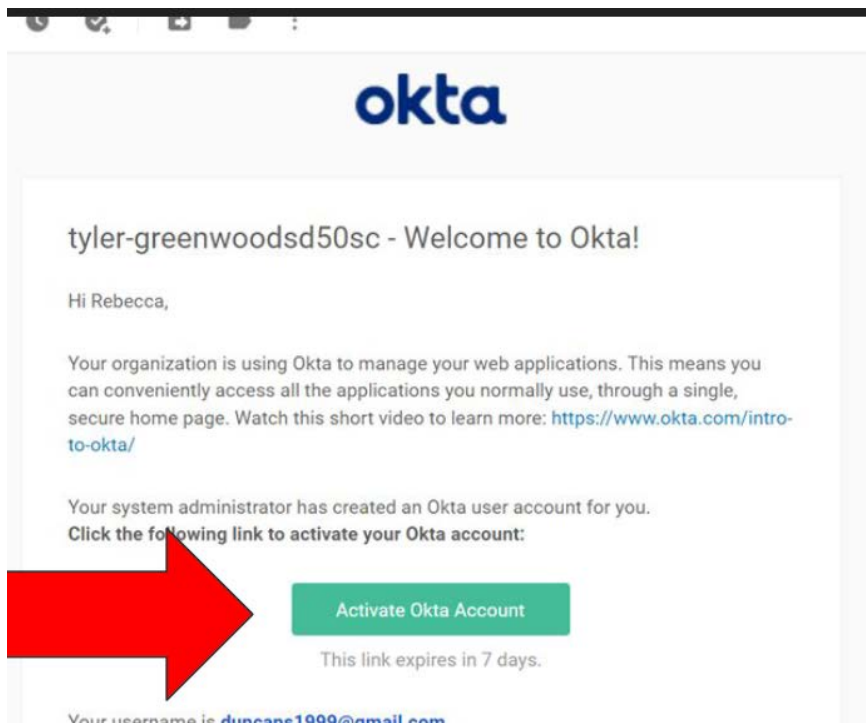

Choose the **Don't have an account?** [Sign up](#) at the bottom of the box.

The image shows a web form for creating an Okta account. At the top is a small illustration of a town with colorful houses. Below it, the text "Create an account" is centered. The form consists of four input fields: "Email \*", "Password \*", "First name \*", and "Last name \*". Each field has a small icon to its left (a key for password, a person for first name, and a person for last name). Below the fields, a note states "\* indicates required field". At the bottom of the form is a blue button labeled "Sign up" and a link labeled "Back to sign in".

Fill in your email, create a password, first and last name.

You will then need to look for an email from Okta. You will need to click the Activate Okta Account

You will then need to create a password, using the requirements on the page, repeat your created password.
