Board Policy Implementation, Dissemination, Suspension and Revision

Effective Date of Policies

All new or amended policies will become effective upon the day after adoption by the Board, unless a specific effective date is included in the motion for adoption. New policies require two separate “readings” by the Board. One “reading” is required to amend existing policy.

Policy Implementation

The superintendent and administrative staff will implement the policies of the Board. The superintendent, as specified in Board policy BFCA, may formulate administrative regulations and procedures to assist policy implementation. It is the duty of the Board to evaluate the effectiveness of the policy and the effectiveness of the administration's implementation of the policy.

Policy Dissemination

The written policies that govern the district will be maintained in a policy manual which will be updated by the district staff as new policies are developed or existing policies are revised or appealed.

Each member of the Board will be provided with a current policy manual.

Each school shall make available for inspection to the public and district employees, copies of the Board's policy manual and personnel policies.

The Board's policy manual will be considered a public record and will be open for inspection at the district office during regular working hours.

Policy Suspension

The action to adopt a policy shall provide that it replace any prior policy or practice of the district with which it may be in conflict.

In the event of an emergency or special circumstances, the operation of any section of Board policy, including those governing its own operational procedures, may be temporarily suspended by a majority of the Board members at any regular, special or emergency meeting. This suspension, however, does not apply to any section of Board policy that may be established by law or contract.

Policy Revision

The superintendent is given continuing responsibility to call the Board's attention to all policies that appear to need revision.
