Friday School & Enrichment Schedule:

March 17 and April 21

In order to attend students must be registered for Friday Enrichment.

The Brownsville Library is sponsoring a Mobile STEM program for tweens and teens (ages 10+). This program is free and open to the public.

There will be 3 scheduled this spring on no school days **from 2:30 to 4:00pm**. The first two are:

Friday, March 24: Exploring Film and Animation.

Exploring the different ways films are made.

Participants will be able to make a flipbook to create their own story. We will have the materials to record and edit their own puppet show, exploring light and shadows through play. They will be able to get their picture taken with a Polaroid camera and take the picture home with them.

Friday, April 7: Solar Bugs. Exploring and learning about green energy, solar energy, circuits, and insects. Participants will be able to make one solar bug. After the solar bugs are assembled and all our circuits are working properly. We will be able to see how they move across different landscapes.

No childcare and Library manners expected.

This program is in cooperation with the Mid-Valley STEM-CTE HUB.

Applications for the Linn County Pioneer Picnic Junior Court are due on March 22, 2023. The Junior Court is for third graders. Please email Betsy Ramshur at LCPA1887@gmail.com with any questions.

Elementary School Yearbooks are \$15. The Deadline to order is May 1. If you have taken any pictures around the school or of school activities, please send them to Sandra.Brown@centrallinn.k12.or.us.
