## Special Education - Services for Home-Schooled Students with Disabilities

If the district receives notice that a parent intends to home school a student with a disability, the district will offer an opportunity for an IEP meeting to consider providing special education and related services in conjunction with home schooling and will provide written notice to the parent that a free appropriate public education will be provided if the student enrolls in the district. This notice shall be provided annually as long as:

1. The student remains eligible for special education; and
2. The student is exempt from compulsory education as a home-schooled student; and
3. The student is not receiving special education and related services from the district.
