

Supervision of Students

The Board expects all students to be under assigned adult supervision at all times when they are in school, traveling under school auspices, or engaging school-sponsored activities. School personnel whether assigned specific supervisory responsibilities or not are expected to act as reasonably prudent adults in providing for the safety of the students in their charge.

No teacher or other staff member will leave their assigned group unsupervised except as an arrangement has been made to take care of an emergency, and this can be accomplished by the use of students.

During school hours, or while engaging in school-sponsored activities, students will be released only into the custody of parents or other authorized persons.
