Attendance

Attendance is very important! Our school wide goal is 96% student attendance and expects all students to have a minimum of 90% attendance.

Any student under 90% may receive an attendance letter.

We understand that kids get sick and sometimes miss school for very real reasons. If your child is sick, has a fever, and maybe contagious to other students, please keep them home from school. Otherwise, please help us support your student by making sure they come to school regularly.

Join the PTC in celebrating a new tradition at CLES!!!!

On Monday, October 31st, the school will host its first Fall Serpentine Parade. Each class of little Cobras will parade around the building in a serpentine manner... as one class passes by, another will join in. The parade will pass through the gym where families and friends can see the different costumes.

Unfortunately, the Fall Festival will not take place on Halloween weekend, but that will just leave you extra time to check out the other events taking place in our communities!

The PTC is exploring the idea of a winter carnival or spring fling ...seeking ideas and volunteers to continue the "festival" tradition!

1st Annual Cobra 3K Next Thursday!

You are invited to join your child for the COBRA 3K Run, Thursday, Oct. 13th at the high school. In the past, we had parents mark cards but this year no marking is needed just encouragement and cheering! It would be amazing if you could come out and participate with your child. For the 3K, please make sure your child is prepared to jog with tennis shoes and appropriate running clothes. For every child that completes the 3K on Oct. 13th a t-shirt will be given to them. You must be here to get the shirt.

Schedule for the 3K:

Dear Parents/Guardians:

All students at Central Linn Elementary are engaged in the learning of technology concepts across all subject areas. In order for your child to take full advantage of the many technology programs available to our school, it is important that students have access to a set of personal headphones. For hygienic reasons, we require every student to have their own pair of headphones.

Please send a pair of (standard, non-earbud) headphones with your child

Teachers will have bags ready to label and seal for your convenience. If you are unable to purchase headphones for your child, please contact the office for assistance.

Thank you for helping us and supporting our building technology initiatives!
