OBOB News from the library.

We have finished another round of book battles for the year. We had 20 students participate in our Oregon Battle of the Books (OBOB) competition this year. Students from 3-6 grades competed in their perspective divisions. The students have been busy reading since the fall. A list of 16 titles make up each division.

The Rainbow Cheezits team advanced to the Regional competition in Woodburn this past Saturday. At this regional competition they competed against 80 different schools. It was great to have families come to support the students.

Our sixth grade teams competed against our middle school team, the team from our middle school will be competing in Silverton for their Regional.

The lists for next years' competition are out!

Congratulations to all of our OBOB competitors!
