As we look back on the '16-'17 school year, we have so many things to celebrate. Your kiddos have worked so hard, and they are absolutely reaping the benefits! Some learners can tell you all about their in-class inquiry projects, music class, space program, and classroom incentives. Others can tell you about their improved reading skills, their most challenging math standard, and engaging field trips. All of our CL students have many stories to share and will walk away this week with many memories.

While your child starts summer vacation next week, our Summer Fun staff will be preparing for six amazing weeks. The Summer Fun program begins July 5th and ends August 4th. If you are interested, all of the information is on our website at: www.centrallinn.k12.or.us. You can find all other important information on our site as well.

We hope to see your kids during the Summer Fun program, but if not, please enjoy the sun and some family time! Have an excellent summer and we will see you in the fall!
