*December 6<sup>th</sup> @ 6pm*

The students have been working hard in class to prepare this wonderful program for you. We will be traveling the world together sharing fun celebrations and winter traditions from many different countries! This will include celebrations like, Diwali, Hanukkah and Christmas.

Students will need to arrive at the school that evening by 5:45. Students should dress nice, but in clothing and shoes that will help them be successful and not uncomfortable.

If you have any questions or concerns; please don't hesitate to call or email me.

Thank You,  
Wendy Kivett

Have a Happy Thanksgiving!

Some questions have been asked recently about the procedure for reporting an incident by a student.

Our school expectation is that students report any incident as soon as possible to the closest adult supervising that area. This allows incidents to be handled in the most efficient and timely manner.

So if something happens in the classroom report it to the Teacher, if at recess to one of the supervising EA's. This is also true for the Bus. Students need to report incidents to the bus driver at the time that an incident happens.

Parents if a student reports an incident that happened at school please report that incident to the Teacher. If an incident happens on the bus please report it to the bus driver or the Transportation supervisor. If you need help contacting the staff you need, please call the office; they will be happy to help get you in touch with the appropriate staff.

Friday Fun Enrichment has two more Fridays. December 1<sup>st</sup> and December 8<sup>th</sup>.

#### **Friday School Update**

Friday School - There was a Friday School date error in the last two Cobra Tales. The next set of Friday School dates are 11/17, 12/1, 12/8, 1/12. Sorry for the confusion.

We are encouraging all families of students who have been invited by their teachers for some work on in targeted skill groups to try to make arrangement for their students to attend on these dates.

Vacation Destination (Grades 4-6) and Exploring the Seasons (Grades K-1) Specialty Sessions still have some openings if your student was interested in attending one of those classes. Sign-up sheets went home in last week's Wednesday Folders. Please contact the office if you need a new sign-up sheet.
