Attendance is very important for student success, especially with distance learning. **If your student is going to be absent, be sure to call or email the office.** When leaving a message, please leave the student's name, your name, the date and the reason for the student's absence. **Good communication with the office is the best way to be sure the absence is excused.**

With the rise of COVID cases in the community, we are hearing from many families being tested. If your child tests positive, please be sure to contact us as soon as possible. This will help us to begin necessary contact tracing for other students and/or staff.

Central Linn School District is an equal opportunity educator and employer. El Distrito Escolar de Central Linn es una empresa educadora de oportunidad igual. Thank you.
