

CENTRAL LINN SCHOOL BOARD UPDATE

January 11, 2021

COMMUNICATION

For the month of January, Rynn Van Cleave and Will Rogers, first grade and Rubie Geider, third grade, were the recipient of the Superintendent's Award in recognition of their outstanding personal accomplishments.

Discussed district re-opening plans. Superintendent Gardner reported that Linn County COVID numbers have decreased over the past weeks but the district would not have liability insurance, at this time, if we were to open. The district is waiting until the January 19th new state guidance to be issued before making its re-opening decisions. Superintendent Gardner met, along with other superintendents, with the Linn County Department of Health to discuss the COVID vaccine distribution. The intent is that education workers will be next in line, after first responders, to receive the vaccine. If the board, staff and community wished to help advocate the re-opening of schools and getting the vaccine out NOW to please contact the Oregon Health Authority and local legislators.
