

CENTRAL LINN SCHOOL BOARD UPDATE

April 12, 2021

COMMUNICATION

Each month, teachers may nominate students for the Superintendent's Award. The award is given in recognition of outstanding personal accomplishments. Recipients for April were: second grader Julian Adam, third grader James Reese and fourth graders Odalys Zapien-Chanes and Zeke Schack.

Board Specialization: Director Isom reported on sports and Director Leigh gave a brief report on finances.

Business Manager, Celeste Van Cleave, announced notification of an ODOT project to improve Hwy 99E through Halsey. ODOT is asking for donation of a portion of the elementary site for a drainage swale location. If the gravel parking area is lost due to eminent domain enforced by ODOT, the City of Halsey stated they will help gravel the grass section closest to C Street; to help relocate parking. Board gave permission for the district to negotiate the cost of land and to work with ODOT to potentially relocate the drainage swale.

Asst. Superintendent, Dr. Candace Pelt, presented to the board revisions were made to the Student Investment account application. Our plan for SIA is organized into three primary areas: 1) mental and behavioral health supports and safety 2) academic instruction and intervention supports and 3) increasing academic opportunities.

BOARD ACTION

- Approved meeting minutes of the March Regular Board Meeting.
- Approved meeting minutes of the March Work Session.
- Acknowledged the resignation of Cooper Getsfrid, JV boys' basketball coach and the movement of Alice Hromas from JH softball coach to assistant varsity softball coach. The board also acknowledged the leave request, for the 2021-2022 school year, from Zea Kwon-Page, JH teacher.
