

Central Linn High School Site Council

February 15, 2017

- 1.0 Call to order by Laurie M. at 3:50 pm in CLHS Library
- 2.0 Roll Call:
Members Present: Laurie McCloskey, Emily Shear, Vicky Smith, JoLynne Walton, Grace Glenn, Shelby Schneider, Jenn Ashcraft, Jenn Cancino, Lindsay Androy, Sam Frank
- 3.0 Approval of minutes of Nov. 9th 2016. Vicky made a motion, Jennifer A. seconded. Site council has not met since November.
- 4.0 Old Business : Math lab has jobs posted and is currently trying to hire for extra support in math. Math reports that things are better, new strict discipline policies are improving work ethic.
- 5.0 New Business:
 - 5.1 Junior High Report- Shelby reported that they are having some positive fundraisers for their student council
 - 5.2 High School Report- Grace reported that the sophomore class is seeking donations to take up painting project in math building girls' bathroom
 - 5.3 Elementary School beautification date cannot be moved because the plants are supplied by our FFA after their plant sale. Other avenues are being explored.
 - 5.4 Guests: Jenn Cancino and Lindsay Androy came to talk about AVID.
AVID: Grant was received to provide academic and social support so that students can rise to the challenge of their education. Mission is to close the achievement gap to make college access available to all students.
Strengths: research based best practices, note taking, teaching toolbox, cross curricular, non-content specific, sending 5 people to be trained in Colorado this summer
Site Council's questions: How will it look here? Who will teach it? How will it affect scheduling? Will this limit choices of electives for students not in it?
 - 5.5 Advisory: Laurie discussed the idea to revamp advisory curriculum to better meet student's needs and advisory requirements. We will update as it evolves.
- 6.0 Professional Development fund balance- \$1000
- 7.0 Adjournment Time: 4:25pm
- 8.0 Next Meeting Date: March 8, 2017 Time: 3:45 pm

Respectfully submitted,
