SENIORS

Seniors/Parents Working on your FAFSA –Call at any time and we will schedule a time for you to come by and work on your FAFSA. Sue Frasier at 541-369-3460 or sue.frasier@centrallinn.k12.or.us.

Youth Job Fair – Tuesday, December 11 – Sponsored by the Albany Chamber of Commerce and the Pipeline Program. All seniors attend! They have been working on writing a resume, filling out a job application and practicing interviews. At the job fair they will participate in mock interviews, attend a keynote speaker presentation and visit a resource fair (various companies that want the students to know they are “out there”). They will need to dress for an interview - neat, clean, not wrinkled.

Help Needed for the Youth Job Fair – There will be 1300+ students attending making it necessary to have 300+ interviewers. We want each student to experience 3 interviews. If you or anyone you know can be a mock interviewer, I have attached the information and sign-up form to this email.

Information on the Pipeline website: www.pipelinetojobs.com.

ALL INTERESTED STUDENTS (9-12)

Field Trips

Deadlines – Sign-up with Mrs. Frasier on or before the deadline

Then students pick permission slips up from Mrs. Frasier or print them from this newsletter.

1.November 16 – Explore Mechatronics @ LBCC field trip on 11/16, 8:30-2:00 – We didn't get in because our students waited until the day before to decide they wanted to go. Can we encourage meeting the deadlines in the future?

2.November 21 – Future Forestry Workers Career Day field trip-2/22

1. Speaker on November 28th. Event is not until 2/22, 8am-3pm, Lane Co. but the deadline for sign-ups is early. I need to hear back **on or before December 4!** It fills up quickly.

Hands-on activities and exhibits in the forestry industries, opportunities for up-close experience with today's state-of-the-art technologically advanced logging and forestry equipment.

AWSEM Club

2019 AWSEM Club Information

AWSEM=Advocates for Women in Science, Engineering, and Math

AWSEM Clubs are designed to nurture girls' interest in STEM by providing a program of hands-on activities paired with positive adult women STEM role models. The goal of the clubs is to introduce girls to STEM career fields in which women are traditionally underrepresented. We also seek to change the stereotypical perception that scientists and engineers are male and then reinforce that STEM is accessible and open to everyone!*

Undergraduate women studying science and engineering at OSU will lead and be mentors for the AWSEM clubs!! The focus of this program is on mentoring, rather than in-depth coverage of each topic, due to the varied backgrounds of participants and limited time for each session.

Middle School Club: January 15-February 19; Tuesdays, 5:00-6:30pm

High School Club: January 16-February 20; Wednesdays, 5:00-6:30pm

Cost: \$90.00 for the whole series;

***For High School Students: Needs-Based FULL SCHOLARSHIPS AVAILABLE!!!!(Sponsored)
For Middle School Students: Our Central Linn School District will pay \$70.00 of the fee and the student will need to pay \$20.00.(***

Location: OSU Campus

2019 Topics & Schedule:

January 15/16: Biochemistry: Performing DNA Extractions Using Fruits and Vegetables

January 22/23: Coral Bleaching: Use Sea Anemones to Investigate Why Coral Tissue is Clear!

January 29/30: Computing: Create a "Software Sketchbook" of Images & Animations Using "Blender"

February 5/6: Simple and Powered Machines: Learning Mechanical and Structural Principles while Building and Designing Lego Contraptions

February 12/13: Wildlife Science: Direct and Indirect Tracking of Animals

February 19/20: Water Science: Testing the Health of Water Systems and Watersheds

To register, please go to: <https://apps.ideal-logic.com/stemacademy>

Please put me down as Guardian2, and ignore any payment reminders you get because they know the school will pay.

For the purpose of clarity, the term "parent" includes legal guardian or person in a parental relationship. The status and duties of a legal guardian are defined in ORS 126.003-126.095.

As parent or legal guardian of the child named above, I hereby give consent and permission for my child to participate in the particular activity described above. I understand and I am fully aware of the risks and dangers normally involved in this type of activity or field trip. I have fully advised my child with regard to these matters. I have instructed my child to cooperate with all supervisors. I understand that my child must participate in the entire field trip including school-sponsored transportation and may not drive him/herself or other students to the activity. If my son/daughter disregards this rule and attempts to provide his/her own transportation, they will not be allowed to participate in the activity. I hereby release the Central Linn School District and its employees from any claims which I or my child might have for injuries or damage suffered by my child resulting from the child's failure to obey and cooperate as instructed or as a result of the risks and dangers involved in this type of activity or field trip.

In the event my child may need medical treatment, I hereby consent and authorize the accompanying representatives of the Central Linn School District to permit such treatment on my behalf. I agree to be responsible for the cost of any medical services and to indemnify the school district for such expenses.

Yes No My child will require medication to be administered by school staff during this field trip.

If applicable, my child has permission to be transported in a private vehicle during this field trip.

Parent Initials

Emergency Contact Person Name (Parent or Other) _____ Emergency Phone No. _____

Signature (Parent/Legal Guardian) _____ Address _____

Signature (Learner) _____ Learner Cell No. _____ Date _____

By signing above the student and parent/guardian acknowledge that the student will attend all sessions, cancellation cannot be completed after November 30th.
