Great careers. Great Pay. Fast-track training. This is the Pipeline to a great start.

Success is closer than you think. Great careers are out there, without four years of college. Let the people at Pipeline –sponsored by local industry and education leaders through the Albany Area Chamber of Commerce–show you the way. It’s all right here.

JUNIORS AND SENIORS

WOU Visit:

Dear Sue,

Your students are invited to attend [Future Wolf Day](#) at Western Oregon University on Saturday, October 19. Future Wolf Day is intended for students who are admitted to WOU and prospective students who are exploring their college options who prefer to attend a program where tours and presentations are delivered in Spanish.

The program schedule will include a campus tour, information sessions, and lunch at Valsetz Dining Hall. The topics for the information sessions will include admissions, financial aid and scholarships, Multicultural Student Services and Programs, and the Student Enrichment Program. I am pleased to share that WOU students and staff will be facilitating tours, information sessions, and other activities in Spanish to ensure that we are addressing the needs of our future Wolves and their families.

If you are a 2020 high school graduate or a transfer student, you can also take advantage of our Instant Wolf (instant admission) process. Students who provide a complete admission file at check-in will receive notification of their admission status at the conclusion of Future Wolf Day.

Please note that students who attend Future Wolf Day also qualify for WOU's new Campus Visit Award in the amount of \$1,000. I invite you to [register for program](#) and please contact me at venegastrujillo@wou.edu or 503-838-8037 if you have any questions.

Go Wolves!

Itsel Venegas-Trujillo, Admissions Counselor

LBCC

Linn-Benton Community College (LBCC) and the Welcome Center of the Great Albany Public Schools (GAPS) is going to host Preferencia LBCC (LBCC preference). This will be an informative event tailored to the Latina/o/x community on how students can enroll at LBCC and what programs/resources are offered. Please see the attached flyer and share with all high school students and Latinx families.

Event Name: Preferencia LBCC

Time: 5:30 pm - 7:00 pm

Location: South Albany High School Commons Cafeteria

The event is FREE and open to the public.

If you have any questions about the event, please reply to this email.

Thank you,

Tania Mendez

Latino Outreach and Retention Specialist
